The New Testament has 260 chapters and can be read through in about 9 months by reading a chapter a day. The Old Testament has 929 chapters and can be read through in about 10 months by reading three chapters a day. By reading 4 chapters a day, one chapter from the New Testament and 3 chapters from the Old Testament, you will read through the entire Bible in about 10 months.

DAILY BIBLE READING PLAN

NIV Joshua 1:8 Do not let this Book of the Law depart from your mouth; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful.

Here is a simple plan for your daily time with God:

1. Relax and get quiet in the presence of God.
2. Read the Bible systematically (check off the chapters as you read), beginning with the New Testament.
3. Reflect on how the passage applies to your life.
4. Record in a notebook what God wants you to do.
5. Pray in the following pattern (Matthew 6:9-13):
 - a. Praise God for who He is & what He has done.
 - b. Commit yourself to God's purpose
 - c. Request provision for yourself.
 - d. Ask for pardon for yourself
 - e. Pray for other people
 - f. Seek protection from sin & evil.
